Paix Dieu

The only Abbey Beer brewed by the Full Moon. This beer was once produced at the Abbey of Paix Dieu, where the lunar calendar played a central role. In keeping with the spirit of the Abbey, the brewery maintains the tradition of brewing only once a month, during the Full Moon.

Paix Dieu, is a triple 10% brew which is smooth and full of character; a craft beer made in the tradition of Belgian abbey beers. The symbol on each bottle will help you decipher under which moon the beer was brewed:

January	February	March	April	May	June
					
July	August	September	October	November	December
					

Bon Secours Blonde

Flagship beer of the brewery Caulier, the Bon Secours Blonde (8%) offers a beautiful golden color and emits intense yeast aromas. Its foam is plentiful and consistent. On the palate, it reveals itself through a pronounced saturation, both powerful and refreshing.

Bon Secours Amber

The Bon Secours Amber (8%) provides an elegant copper color, with a subtle blend of pale malts and caramel. Its foam is creamy and persistent. On the palate, it is dry with a touch of fine bitterness.

Bon Secours Brune

Voted the best brune in the world, Bon Secours Brune (8%) is superior dark brown Belgian style ale. Strong nose, full of malt, flowery hops, slight flavor of caramel. Delicious, smooth with a touch of raisin. Wonderful aftertaste full of malts. The nose reveals delicate aromas of mocha and citrus. On the palate the fruitiness quickly gives way to a warm taste of roasted malts.

Bon Secours Christmas

One of the few lagers (10%) brewed for the Christmas period. The careful selection of its different malts, hopping and spices creates exceptional flavors that will warm you up for the coming winter.

Bon Secours Blueberry

Result of a natural juice of macerated blueberries, this unique beer (7%) developed a rather dark red color with compact slightly reddish foam. On the palate, this is a dry beer with a little sweet taste of blueberry.
